

To our Clients, Partners and Friends

This year for our Customer Appreciation Event, we will be making charitable contributions to the American Cancer Society, in honor of those who have battled or are still battling cancer. We are asking our clients, partners and friends for donations and will match their contribution up to \$500! Your business and relationships have allowed us to make these donations possible and we would like to say a deepest thank you from all of us here at Prism Contractors & Engineers, Inc.
