POWHATAN VILLAGE STORM DRAINAGE REPAIRS PROJECT

CUSTOMER: Powhatan Village Homeowners

LOCATION: Villages at Powhatan

PERIOD OF PERFORMANCE: 06/2016

PROJECT DESCRIPTION:

- Prism inspected the interior and exterior of three structures, that had subsidence problems, located within easements/common area owned by the Villages of Powhatan Homeowners Association, to determine the cause of the problems.
- Repaired and sealed the structures with a non-shrink grout.
- All repairs will complied with VDOT's and HRPDC Construction Standards.
