I am writing this letter on behalf of FerraTex the manufacturer of cured-in-place pipe (CIPP) liner used in the rehabilitation of sewer systems worldwide.

As a material supplier for the CIPP industry, we trust our product to certified installers such as Prism Contractors & Engineers Inc. and we are proud to call them a customer.

If you should have any additional questions, please do not hesitate to contact me at your convenience. I am available at (804) 451.3667 or via email at grodenberger@ferratex.com .

Best regards,

Gerhardt Rodenberger
